

## What Azul Does

### Construction and Erection

- Construction of: Roads, Bridges, Well Locations, Airfields, Heliports, Camps, Tanks, Pipelines.
- Fuel Systems, Water Systems, Sanitary Landfills
- Pump Stations, Production Facilities, Terminals, Power Generation Facilities.
- Electric, Electronic, Instrumentation and Communication Systems
- Project / Construction Management
- Construction Supervision
- Instrumentation, Calibration, Programming
- Pre-commissioning, Commissioning and Start Up

### Engineering and Project Management

- Feasibility Studies
- Budgeting
- Development of Technical Specifications and Data Sheets
- Right of Way
- Architecture
- Civil Engineering
- Mechanical/Process Engineering
- Electrical/Instrumentation Engineering
- Geological/Geotechnical Engineering
- Topographical/Geotechnical Surveys
- Laboratory Work
- Innovative and Creative Solutions for Clients
- Instrumentation Design and Programming
- Inspection
- Quality Control/Quality Assurance
- Design and Engineering of: Roads, Bridges, Well Locations, Airfields, Heliports, Camps, Tanks, Pipelines, Fuel Systems, Pump Stations, Production Facilities, Power Generation Facilities, Terminals, Sewer System, Water Systems, Electric, Electronic and Communication Systems.
- Procurement, Quotations, Selection, Inspection

### Operations & Maintenance

- Operations and Maintenance of Petroleum Facilities, Power Generation Facilities, Pipelines, Pump Stations and Terminals
- Maintenance of Roads
- Maintenance of Vehicles
- Maintenance of Equipment
- Camp Maintenance and Operation
- Maintenance of Instrumentation, Electronic and Communications Systems
- Maintenance of Tanks

### Catering

- Meals
- Cleaning
- Laundry
- Camp Maintenance
- Water Potabilization
- Sewage Treatment
- Waste Disposal

### Procurement, Logistics and Representations

- Procurement of Materials & Provision of Equipment for Construction Work as well as Other Client Needs
- Expediting
- Transportation (including delivery to remote sites)
- Importation / Customs
- Warehousing
- Ground Support of Flight Operations ( Airplane and Helicopter)
- River Transportation
- Camp Administration
- Medical Services
- Communication Systems
- Importation & Export of Materials, Machinery, Equipment, and other
- Representation of National and International Companies
- Client Services for Products Represented
- Distribution and Commercialization of Materials, Machinery, Equipment and Others

### Commitment to Society

- Scout movement
- Sierrazul Cloud Forest Reserve (Conservation, Scientific Research & Ecotourism)

### Other Activities

- Security
- Health and Safety
- Community Relations
- Legal
- Right of Way Acquisition
- Conflict Resolution
- Environment Work
